### **Payments**

Private patients are required to pay for their treatment at each visit. We will give a rough estimate where a precise cost cannot be determined in advance (e.g. laboratory work) and will give advice of any additional costs where appropriate. You can talk to a staff member who can explain clearly what payments are due and what for and discuss available payment methods.

### **Cancellation of appointments**

Patients are requested to give at least 24 hours' notice to cancel appointments. Cancellations should be made by telephone on: 01275 852143 or by e-mail to: [info@dentalcarenailsea.co.uk](mailto:info@dentalcarenailsea.co.uk)

We aim to phone or write to patients after a missed appointment to rebook and to understand what happened. There may be a fee for private (including Denplan) appointments that are missed with less than 24 hours' notice, based on the length of the appointment.

Appeals about missed appointment decisions should be made in writing to the Practice Manager.

### **Denplan Care plan**

Ask your dentist to grade you for the Denplan Care monthly payment scheme. The range is from £16.15 – 47.54 per month depending on your dental history and current dental health. This scheme covers all treatment clinically necessary excluding manufacturing costs (e.g. bridges, crowns, dentures).
