----------------	------

Payments

Private patients are required to pay for their treatment at each visit. We will give a rough estimate where a precise cost cannot be determined in advance (e.g. laboratory work) and will give advice of any additional costs where appropriate. You can talk to a staff member who can explain clearly what payments are due and what for and discuss available payment methods.

Cancellation of appointments

Patients are requested to give at least 24 hours' notice to cancel appointments. Cancellations should be made by telephone on: 01275 852143 or by e-mail to: info@dentalcarenailsea.co.uk

We aim to phone or write to patients after a missed appointment to rebook and to understand what happened. There may be a fee for private (including Denplan) appointments that are missed with less than 24 hours' notice, based on the length of the appointment.

Appeals about missed appointment decisions should be made in writing to the Practice Manager.

Denplan Care plan

Ask your dentist to grade you for the Denplan Care monthly payment scheme. The range is from £21 – £61 per month depending on your dental history and current dental health. This scheme covers all treatment clinically necessary excluding manufacturing costs (e.g. bridges, crowns, dentures).

In An Emergency – Out of hours

We have a out-of-hours emergency service for patients registered with our practice. between 6pm and 9pm on weekday evenings and between 9am and 9pm on weekends.

Phone the normal surgery number, [01275 852143](tel:01275852143), and a recorded message will give you the mobile number of one of our 4 dentists

The charge to for emergency call outs at our practice is £180.

If you are a Denplan Care or Denplan Essentials patient and have the added supplementary insurance cover included in your plan, then there is no call out fee as this is covered by your insurance. If you are not sure if you have the added insurance then please call the Denplan customer support team on 0800 401 402
